The April 27th meeting will be dedicated to meeting the candidates for the Board of Education. The board members with terms expiring are Karen Lessler, Debbie Felber and Arlene Baressi. The seat vacated by Kathy Walsh -filled with the appointment of Nick Caracappa earlier this year also becomes an open seat but only as a two year term. Nick will have to re-run to hold the position. Please join us as these are the people who control the education policy and the tax increases. Some current board members are expected to attend as well to discuss the proposed budget. At this time I do not have any confirmed proposed budget information.

Remember the \$50,000 from Steve Levy when he was our Assemblyman, it was lost, found, did exist, didn't exist. Well 3 years later - yes 3, thanks to our perseverance, our new Councilwoman Kathy Walsh and Brenda Prusinowski of TOB Planning Dept. we have the money - in writing, by formal resolution and are in the process of spending it. Our own Bob Mille initiated a deal with the property owners at Waldbaums and has negotiated that the monies will buy decorative lighting for MCR and The property owners will install and maintain them. This allows us to purchase approximately 20 -25 lightposts as opposed to about 6 - 10 if we had to pay to install them. WE will start with the lamps being placed upon the Waldbaums property and then we will start to see if we can move down into the Pathmark Shopping Center. Special Thanks to Councilwoman Walsh, her aides George Lessler and Sandy Alvaro as they are off to a very positive, productive start.

Well it is another short newsletter as many things are happening - it just takes time to get it done. Please join us.

April 2006

Respectfully, Diane Caudullo
